

**ONE DAY ENCOUNTER WITH
CAROL FIREHEART AND THE
BUFFALO TRACE SOCIETY**

**LEARN TO WALK THE EARTH IN A SACRED MANNER
AND BUILD**

YOUR PERSONAL POWER WITH HANDS ON TRAINING

The day is designed to aid you in making a difference in your inner and outer world. It is an enlightening experience in itself

or can be the first step to apprenticing with

Carol Fireheart and the Buffalo Trace Society.

(If you wish to continue your training, it will be explained at this time.)

Carol Fireheart, Chief of the Buffalo Trace Society and a Cherokee Metis, has studied the earth honoring traditions of both the old and new world for over 25 years. As a teacher and workshop leader, Fireheart and her teachers are vitally interested in unleashing the potential for growing in each person.

Fireheart works to rebuild peoples' connection to the circle of life by experiencing the Native Ways and philosophies of the Earth people. She has studied with many teachers and, with permission, is passing this information to others.
